1. Choose if you wish to make a one-time or monthly donation.

2. Choose the amount of your one-time or monthly donation. You can choose one of the four proposed amounts or enter a different amount in the box entitled **Choose an amount**.

3. Fill in your personal information

4. Zeffy operates on a tip model and does not charge charities for their services. Zeffy only collects money from tips made by donors. A default amount is proposed, however you can change this amount by clicking on the down arrow to the right of the proposed amount.

5. The last step is to give your credit card information. Once all information on the form is complete, the DONATE button will change from light grey to dark blue. This indicates that you have inputted all the necessary information. Click on **DONATE** and your transaction is complete. You will receive a confirmation email from Zeffy shortly.
